

# **Potty Training Acknowledgement**

Dear Parents,

We understand that you have started potty training your child and we want to help you and your child take this step. Please help us by supplying the following items daily.

- ◇ 3 Full changes of clothes including socks
- ◇ 3 changes of underwear and protective rubber pants or 3 changes of pull – ups
- ◇ Wipes

We will send home dirty clothes daily. Please replenish these items daily. If for any reason we DO NOT have all items listed above, potty training WILL NOT take place that day until the center does have the required supplies.

Thank You for your cooperation!
